

WILL CLOSE SHOP HERE ON HOLIDAY

TO STOP BUSINESS MONDAY IN OBSERVANCE OF "FOURTH."

CHURCHES MAY HONOR OCCASION IN SERVICES

Patriotism Will Be Shown from Pulpit Sunday—Arrange Two Picnics—Noise Will Be Diminished.

While Maryville will have no real celebration of Independence day this year, it will quite generally observe that day, Monday, July 5, by closing up shop and taking an extra day off from work and worry. All stores will be open as usual Saturday but on Monday it will be quite dull according to present plans.

All banks and newspapers of the city will be closed all day next Monday, the postoffice will be closed except that the general delivery window will be open from 11 o'clock in the morning until 12:30 o'clock in the afternoon and one city delivery will be made.

Many stores will be closed throughout the day, while some will remain open until noon and a few will perhaps be open all day, according to announcements made today by merchants and dealers.

Grocers Rest at 10 o'clock.
All the larger merchandise stores will be closed all day however. A petition is being circulated this afternoon seeking to have all grocers close up shop at 10 o'clock Monday morning for the remainder of the day, while jewelers and barbers intend to take part of the day off at least.

City and county offices generally will be closed all day, though a few officials may put in a little time that day.

The Normal school has announced a holiday from 4 o'clock tomorrow afternoon until 7:20 o'clock Monday morning. That means that the only extra holiday the students there will receive, will be the elimination of studies over Saturday.

Several patriotic services will be perhaps delivered from the pulpit of local churches Sunday, in token of it being the anniversary of the declaration of independence in 1776. Especially will patriotic songs be in order that day in church services, while "the stars and stripes" also will float in procession.

City Forbids Dangerous Works.
Many flags are already being sold by dealers and many are preparing to decorate residence and store with "old glory." But the fire cracker and other noise producing contrivances, so usual on July 4, each year, will be lacking to a remarkable degree here this year it is believed.

The city ordinance forbids any dealer to display or offer for sale any fireworks before Saturday morning and not after July 4, so that it leaves but one day in which to sell the stock. It also forbids the sale or discharge of firecrackers more than 3 inches long or more than 1/4 inch in diameter, the sale of dynamite caps, torpedoes and other noise producing and endangering celebration contrivances.

Plan Two Picnics Here.
Two picnics in the city however, are being planned for Sunday and Monday to celebrate the anniversary of Independence.

The Knights of Columbus will picnic at the Normal Park Sunday, with a dinner on the lawn by members and their families and friends while music and athletic games and contests will be indulged in after the lunch. A number of out-of-town visitors are expected.

The Wage Earners and Home Makers classes of the Buchanan Street Methodist church have arranged for a similar observance in the Normal pine grove next Monday afternoon. It will begin at 2 o'clock and end at dusk. A luncheon there will close the ceremonies. A "kid" baseball game and

racers are being planned, while refreshments of ice cream, cake and lemonade will be served.

Uncle Sam's weather prognosticators have predicted a fair but a warm "Fourth," so that the outlook is for a well observed day in Maryville both Sunday and Monday. Nothing is planned for Saturday. It is true there will likely be a minimum of noise and hurrah, but the deeper observance is indicated by present plans.

TO DEFER IMPROVEMENT ACTS

Board of Public Works Will Consider Only Routine Business Tonight—Two Members Absent.

On account of two of the four members of the board of public works being out of town today, the board will meet in regular session tonight only to consider routine business, and allow bills for June. The contemplated consideration of several water plant improvements will be deferred until all members are able to be present.

S. G. Gilliam and M. E. Ford, both board members have been out of the city several days and will not return for a day or two, it is said. Mr. Gilliam is now in the east. Mr. Ford left a week ago to visit a sister at Galveston, Texas, and also to conduct a \$3,500 damage suit there which he won.

ACCEPT DREDGE WORK PLAN

Bondholders for 102 Drainage District Grant New Contractors Increased Rate.

The Southern Surety company of St. Louis, holders of the 102 drainage district bonds, accepts the plan of the drainage board to award the dredging contract to Rogers & Black of Mound City at 12 cents per square yard, according to a letter received by Senator Craig, a board member, this afternoon. With this assurance, all is virtually settled and work on the completion of the drainage channel from south of Hopkins to south of Maryville, will be resumed as soon as the river falls sufficiently as to permit the building of a dam in which to float the dredge boat.

CHURCHES CHOOSE PASTOR.

Rev. S. D. Harklan Will Have Charge of the Palestine and Graham Churches.

The Rev. S. D. Harklan of Klamath Falls, Ore., has been chosen pastor of the Christian churches at Palestine and Graham. He will conduct services on alternate Sundays at each of the churches.

The Rev. Mr. Harklan will take charge of his new pastorate about September 1. He is a former resident of Nodaway county, and had charge of the church at Graham before going west.

MAY BUY CITY SPRINKLER.

Hopkins Proposes to Purchase Abandoned Equipment Here for Own Use.

The abandoned sprinkler owned by the city of Maryville may be purchased by the city council of Hopkins, according to present negotiations. Hopkins merchants recently agreed to donate certain sums for such improvement, and it is proposed to secure the improvement as quickly as possible.

The sprinkler of Burlington Junction also is for sale, it is said.

COUNCIL DID NOT MEET.

City Fathers Defer Paving Consideration Until Friday Night.

The adjourned meeting of the city council scheduled for last night was called off at the last minute on account of the city attorney and city engineer not being yet ready to present all paving resolutions proposed.

The council will probably include that work in the regular meeting of the aldermen tomorrow night.

Market Live Stock.

The following Nodaway county stockmen marketed live stock in St. Joseph yesterday: R. C. Hollensby, Vern Faker, G. H. Swaney, Joe Holker, Nodaway Cattle Co., Quitman Live Stock Co., and P. R. Growney.

CO. F CELEBRATES

MILITIA AND BAND MEMBERS FEAST, TALK IN NEW ARMORY.

PROGRESS IS KEYNOTE

Addresses by Former Guardsmen, Militia and Civic Leader Express Belief Company F Will Advance.

A new impetus to military activities in Maryville, and which perhaps will do much towards placing the city on the map as the home of a "crack" drill company of guardsmen and a fine regimental band, was held last night by the militia to celebrate their entrance into the new armory, 116 East Fourth street. If the intentions of the men now in charge of the company and band culminate in reality, it will not be long until Maryville will also boast of its militia, speakers last night emphasized.

The banquet was held in the new headquarters. It was attended by members of the company and band, also by several invited guests who had previously seen National Guard or army activity or were especially interested in the building up of a militia company here.

Make Big Improvements.

Before the banquet an inspection of the new quarters was made by the visitors, with the result that approval all around was heard, not only relative to the better equipment and headquarters, but also as to improvement in the company personnel.

The banquet was presided over by the Rev. Robert L. Finch, as toastmaster, who also delivered the invocation preceding the feast. A real army style "mess" was provided.

Those who spoke following the banquet were Mr. Finch, Captain John K. Ross, former Captain Ezra Phipps, Chester W. Bennett and Lester Bennett, former guardsmen; Jack Waits, who spent four years in the St. Charles Military school at St. Charles; W. R. Jackson, secretary of the Commercial club; E. J. Bailey, former soldier in the regular army; I. B. Williams, former member of the cadet band at the University of Missouri; Albert Berlin, member of the Kansas National Guards.

While most of the speakers delivered impromptu addresses, each expressed the belief and hope that the Maryville guards would rapidly come to the front as one of the best drilled and best disciplined companies, not only of the Fourth regiment but also of the entire state.

Lester Bennett spoke principally of the need of greater financial encouragement by the federal and state government for the guardsmen.

Mr. Watts spoke principally of the benefit of military training as an aid to better physique and its promotion of discipline and comradeship.

Mr. Phipps spoke of the efficiency of the present officers of the local militia company and of the indications for improvement in the guards of Maryville.

Mr. Jackson spoke principally of the training one received in any form of military activity and of the belief that the company here eventually would be one of the city's prides and boasts.

Urged Discipline and Courtesy.
Chester Bennett spoke at some length on military discipline and courtesy and of the need for continual training by the company members.

Mr. Bailey gave reminiscences of the army campaign in the Philippine Islands following the Spanish-American war, and of the need of better discipline and courtesy in the National Guards.

Mr. Williams spoke principally of the comradeship of the military and of the improvement that has come about in Company F even within the last year.

Mr. Finch dwelt principally on the theme of making the militia company and band the pride of the city and of the Fourth regiment, and to place the guards in greater prominence to the residents of Maryville by street drill-

ing and various stunts and entertainments.

He also proposed the adoption of a company song by the local guardsmen, and followed the suggestion with the inauguration of such a boost.

Company Head Recites Plans.

Captain Ross spoke at considerable length of his intentions of raising the company standards in the public eye by increasing the efficiency and personnel of the guardsmen.

Mr. Berlin spoke briefly on greater company pride by the guardsmen and of the apparent increase in militia interest here.

Captain Ross, in reciting plans for bettering the militia here, spoke in part as follows:

"I am sorry to say that we, as a military organization, have not received from the public the co-operation and help that we should have received. The reason, I believe, was that the public and the company have not understood each other in the past. In the future we are going to receive encouragement and we are sure that when you see it from the standpoint as we do that you will not delay in giving all that we ask of you.

"I believe that the sentiment was almost universal against us some time back, because of the misunderstanding of the attitude of the members upon the subject of public interest, but that attitude has changed in some degree, and shall change more.

"We realize, as you must, that we cannot be of the best service unless we comprise a company that is up to the standard of efficiency, and we cannot be up to the standard unless you give us your hearty co-operation and help.

"For so long as you turn a deaf ear and try to tear us down, so long must we acquaint ourselves with the limitations which you have set, and work and wait for a time when your attitude shall change. We hope to make this company a military organization that you will feel proud of and will not be ashamed to say a word in behalf of.

"We have in this city a military band which was organized but a few weeks ago. It has already reached the required numbers to make it in good standing as a military band. It is the purpose of the band and the company to work together in such a way that when we go to camp this summer we can carry away the honors."

Captain Ross expressed the fact that hereafter the armory would not be used as a lounging place for the company members, but strictly for the study of military discipline, rifle and small arms practice and drills or such other activities as relate exclusively to the military.

The present officers of Company F are: Captain, John K. Ross; first lieutenant, Arch Ledgerwood; first sergeant, Claude Wilson; quartermaster sergeant, Harold Ewing; right guide sergeant, Arch Colden; left guide sergeant, Charles Wilson; duty sergeants, Francis Kegin and George Liston; corporals, Otto Long, Claude Neville, Vane Hanna, Bert Woodard and Dean Ledgerwood.

RAINED 6 1-2 INCHES IN JUNE

Records Show the Fall Was 4.62 Inches Prior to Yesterday's Fall of Two Inches.

The total rainfall for the month of June, according to readings kept by J. R. Brink, was 4.62 inches until the rain storm which began late yesterday afternoon, when two more inches fell. As most of the rain of yesterday and last night fell before midnight, the fall for June was virtually 6.62 inches.

The rain yesterday afternoon and last night was the hardest for the month and the hardest for the entire season, considering the length of time in which it fell.

AMERICANS DROWN

GERMANS SINK LINER WITH U. S. CITIZENS ABOARD.

WAS NEUTRAL VESSEL?

Prompt Inquiry of Sinking of Armenian by Submarine Ordered from Washington—Had Mule Cargo.

Washington, July 1.—The Dominion freight liner Armenian, flying the British flag and carrying mules from Newport News, Va., to England, was torpedoed and sunk on Monday night by the German submarine U-38 off Cornwall, England, and nearly a score of American muleteers aboard are reported lost, according to messages received by the state department from Consul John S. Armstrong, Jr., at Bristol. Twenty-nine men in all were lost and ten injured.

The news created a sensation in official quarters, as it was the first case of loss of American lives since the sinking of the Lusitania.

The gravity of the incident, however, and the action of the Washington government depends almost entirely on whether the Armenian was chartered by the British government and was in fact a transport of war aboard, which Americans would sail at their own risk, or whether she was an unarmed merchantman.

In the latter case, even though carrying contraband, the ship should have been subjected to visit and search, and those aboard transferred to a place of safety before the destruction of the vessel was attempted, it is said.

Order Immediate Inquiry.

In the absence of official information on these points officials declined to say what effect the sinking of the Armenian would have on pending negotiations between the United States and Germany.

Immediate inquiry was directed to Ambassador Page at London to obtain more details, and when Secretary Lansing returns Ambassador Gerard will be instructed to inquire of the German admiralty as to its report.

New York, July 1.—W. W. Jeffries, general manager of the International Mercantile Marine company, said last night that the steamship Armenian was not under charter to the British government and that she was a peaceful merchantman. The Armenian, he added, was making the voyage under the operation of the Leyland line and she carried a general cargo of American origin.

Newport News, Va., July 1.—The steamer Armenian, which sailed from Newport News, carried besides her regular crew, 106 Americans—nineteen white and the remainder negroes—signed to care for the cargo of 1,422 mules for use of the English army. The Armenian was the first ship of the many that have carried live stock from Newport News for the allies to be sunk by a German submarine.

Her cargo, according to her manifest, filed at the customs house, was valued at \$291,400.

Among the white muleteers signed, besides those reported as missing, were H. H. Brenwick, Des Moines, Ia.; Louis Taylor, Bayonne, N. J.; Jess Osborn, Sidney, Neb.; Louis E. Eckert, Greenfield, O.

TEUTONS CONTINUE ADVANCE

Russians Being Steadily Driven from Galicia Though Resisting Stubbornly.

London, July 1.—The Austro-Germans continue their almost unbroken advance in Galicia and over the Polish frontier, while the fighting in the western theater has developed nothing to alter the situation.

A brief Austrian communication indicated that the Teutons were being held up along the Gnla Lipa, but a subsequent and fuller official statement made no such admission, although conceding that hard fighting in this section was in progress.

On that part of the eastern front to the north and northwest of Lemberg it is claimed that the Russians are falling back precipitately, the Austro-Germans having occupied another Polish town, Zawichost, just over the frontier.

The present position of the Russian forces covers a great semi-circle around Lemberg, the two tips of which, to the north and to the south of the capital, the Austro-Germans are attempting to roll back. In the meantime they are hurling great masses of soldiers at the center in the vicinity of Tomaszow.

The success of this movement would so sever the Russian armies as to leave Warsaw unprotected from the rear and the desire to checkmate this apparently explains the continued Russian retirement to the north.

HOME TALENT SCORES A HIT

Rest Room Benefit Play Pleases Big Crowd—At Empire Theater Last Night.

As a result of a highly successful performance, presented at the Empire theater last night before a large audience, a good sum of money will be given to the City Federation of Women's Clubs to help toward the maintenance of the women's public rest rooms.

The play, a two-act musical comedy, "Marrying Jane," was given under the auspices of the Hum Drum club.

The performance, from start to finish "never missed a tick," and was staged with a professional swing that was decidedly taking with the audience. The solo work and individual character parts were done with splendid merit, and the acting, costuming and singing of the chorus were full of a grace and piquancy that brought lively applause from the audience.

The play was directed by Miss Besse Scott, who had the assistance of Ralph Marcell in superintending the staging and scenery. The orchestra music for the entire play was given by Maulding's orchestra.

The character parts were taken by Miss Glen Hotchkiss, Miss Hildred Hanna, Miss Ora Barmann, Jesse Miller, Jr., Fred Lewis, Fleming Carpenter, Gene Cummins, Edward William Deitz, "Baby Becker," the small son of Prof. and Mrs. H. J. Becker, and "Baby Haines," the life-size infant model of the Haines dry goods store. The story of the play and the manner in which it was acted was a real fun-fest for the audience, and the performers behaved like veteran stage folk.

There was not one of the song specialties but what made a "hit" and were much applauded. They were given by Frank Schumacher, Miss Mildred Robinson, Miss Amy Clark, Miss Blanche Shipp, Fleming Carpenter, Eugene Cummins, Harold Staples, Miss Scott and Dudley Wilkinson of Albany. Miss Scott and Mr. Wilkinson gave a fox trot specialty, "I Want to Linger," which was very attractive.

The chorus, which furnished a graceful background for the entire production, was composed of Misses Ora Barmann, Marjorie Willey, Blanche Shipp, Martha Koch, Dale Hoffman and Kathryn Carpenter, Messrs. Frank Cummins, James Philips, Kenneth Strawn, Perry Crandall, Harold Staples, Gene Cummins and "Buster" Strong.

The proceeds of the play will go to help support the women's rest rooms.

Special Meeting.

All members and officers of the Order of the Eastern Star are urged to attend a practice and instruction session of the chapter to be held at the hall, Friday evening, July 2, beginning promptly at 8 o'clock.

CROPS INJURED BY WIND; LIGHTS OFF

STORM WORST IN MARYVILLE—RIPENED WHEAT FALLS.

NO BRIDGES OUT NOR BUILDINGS AFFECTED

Fallen Trees, However, Endangered Life and Property—Limb Causes Electric Current to Be "Cut."

A heavy rain storm, preceded by high wind and lightning, which blew up rapidly from the southwest at 5:15 o'clock yesterday afternoon, did considerable damage to trees and growing crops over Polk township and in spots all over Nodaway county. The storm perhaps reached its worst around and in Maryville, judging from reports from various places in the county.

The ripening wheat and rye was blown to the ground in many places, while the corn was blown around and broken off in some instances. A slight fall of hail also is reported.

Limbs from a tree blown against the electric light wires near Fourth and Buchanan streets at 5:30 o'clock yesterday afternoon cut out part of the commercial circuit from the Maryville Electric Light and Power plant. In order to eliminate the short circuit it was necessary to first turn out all lights in the city that the limbs doing the damage might be cut.

City in Darkness.

The city was in darkness for about three-quarters of an hour in some places and for an hour or more in other localities over the city.

A large tree was blown against the front porch at the residence of Charles Thorp, 113 South Buchanan street, but did little damage to the house. A large apple tree back of the house also was blown down, but without any further damage.

A large limb blew against the porch of the dwelling of Mrs. D. C. White, 707 South Buchanan street and slightly damaged the porch.

Several limbs were blown from the trees in the court house lawn and in all parts of the city, but without injuring anyone or damaging any buildings.

Street Lighting Is Impaired.

A portion of the street lighting in the north end of town also was off part of the night because of damage to the system in that portion.

The smaller streams over the county were swollen to bank full in a few moments and some overflowed onto growing crops. No serious damage from the three rivers of Nodaway county is expected, however, unless further rains fall tonight.

No bridge nor culvert damage of consequence is reported from over the county, according to W. M. Blackford, presiding judge of the county court. Some roads were washed considerably. Judge Blackford said no bridge nor culvert improvement would be begun by the county, however, until there is a certainty that the rainy spell is over.

A few bridge and culvert repairs have been made the last few days at the expense of the county.

Delays Wheat Harvest.

The heavy rain last night will retard wheat and rye harvesting a few days and make the cutting extremely difficult because of the grain being blown down badly in many localities.

The telephone lines between Graham and Skidmore are reported down and slight damage was done to crops. Reports from Pickering, Hopkins, Barnard, Arkoe, Conception Junction and several other towns over the county are to the effect that the wind storm was slight and that little damage was done by the rain.

ANNOUNCES FEATURE FILM.

"Hypocrites," in Four Reels, at the Fern Theater Next Wednesday.

Manager J. B. Ellis of the Fern theater announces for next Wednesday, matinee and night, the "Hypocrites," a four-reel feature film written by Lois Weber, and produced under her personal direction. It is one of the most extraordinary pictures ever placed before the public.

By means of an absorbing story and superb allegory, it plays mercilessly those people who, faulty and evil themselves, yet dare to condemn the seeker after truth. The play is a daring one in its frankness, but has been handled by Miss Weber with the most exquisite delicacy, so that it is entirely without offense to the most critical. One of her inspirations for the story was the painting by A. Faugeron, now in the Paris salon, called "The Truth," a painting which has caused more discussion than any painting of late years. In "Hypocrites," scenes similar to that conceived by M. Faugeron are reproduced, and we see how the mirror of truth pierces the thin veneer of hypocrisy and reveals the selfishness and cowardice of men and women as they really are. Another feature of the story

which will occasion wide comment is the extraordinary photography characteristic of the entire production. It is needless to say, in speaking of a production by Miss Weber that the acting by each member of the cast is of the highest order, and that the finest of work has gone into the detail of setting and costume.

The production of "Hypocrites" sets a new standard for plays which combine the art of the allegory and the thrill of pure drama.

"Anthony and Cleopatra," in two reels, will be an added attraction for the matinee and night shows next Wednesday.

How to Provide Clean Ground.

Keep your chicks on clean ground, with, if possible, grass run; if not, plant patches of oats, rape, lettuce or turnips for them. A good plan when space is at a premium is to make a frame, as large as possible, covered with 1-inch mesh wire and plant oats inside this frame, having the wire top about 3 or 4 inches above the ground. Keep well watered and you will have a plentiful supply of green stuff for your chicks.

Swarm of Bees Alight in Car.

As J. Arch McMaster was driving home from Hopkins in his Maxwell car the other evening, he saw a swarm of bees this side of the second river bridge, west of town. As soon as he saw the bees he wanted them, but how to get them was the next question.

His mind worked fast and the scheme of honking the horn of his car to attract the attention of the bees worked like a charm. And he did not have to keep the work up long until the bees were attracted into the egg case he had in the car, and the swarm is now safely and snugly housed on the McMaster farm making honey.

Separate Your Birds.

If you haven't yet separated your male birds from the poultry flock, by all means do so now. Both the males and the females will stand the hot weather better and come through the molt in better condition. If you have breeding birds you want to keep over for next year, pen them off to themselves. If the roosters are not very valuable dispose of them entirely and save the trouble and expense of feeding them.

In the hot days that are soon to be with us a fertile egg soon becomes totally unfit for food, whereas an infertile egg may be kept for weeks and still retain its freshness.

Shade Needed by Chicks.

Now that the hot summer days are coming on, remember that shade is essential to chick comfort. If you haven't natural shade, by all means plant sunflowers or castor beans. If necessary,

put up shelters of boards or grain sacks stretched over four stakes about a foot from the ground. Exposure to the hot sun day after day stunts the growth of chicks, and, in the case of exhibition birds tends to bleach the color of their feathers.

Mrs. M. A. Wilke and daughter, Meda, of Kansas City, arrived in Maryville at noon yesterday to visit Mr. and Mrs. J. J. Irwin.

THE HERRICK through their perfect scientific construction and their mineral wool insulation have made it possible to produce more cold dry air per the amount of ice consumed than any other. And this fact also makes the most thorough hygienic and sanitary refrigerator on the market. We will be pleased to show the prospective buyer why this is a fact.

CROQUET SETS from **75c to \$3.50.**

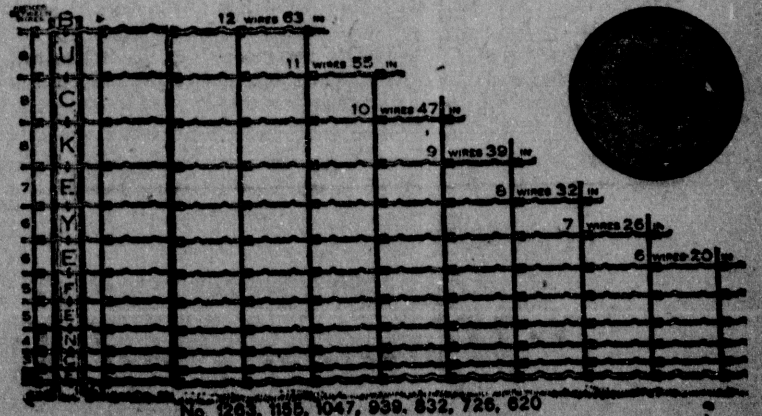

JERSEY FREEZERS are built to freeze the cream in the shortest possible time and with a revolving cream whip which whips the cream so that it freezes very fine and smooth. We have them in 1, 2, 3, 4, 6 and 8 qts

THE NEW PERFECTION OIL COOKER has made it possible to burn the cheapest oil and produce absolutely satisfactory results. And as in all mechanical construction the reason for the perfect results is made possible by adhering to the laws of scientific construction. The New Perfection was built to produce first last and all the time a perfect blue flame from the lowest grade of oil. And the fact that they are now serving more than 2,000,000 homes is ample proof of the satisfactory results produced. Let us show you the points of construction that makes this possible.

We have just received another car load of **BUCKEYE FENCE** that is built of No. 9 top and bottom and No. 11 intermediate and stay wire. Extra heavy galvanized. Let us show you the merits of the Buckeye Hinged Stay Fence.

Feed a Variety of Food.

Don't neglect to feed your growing
chicks a variety of foods. Keep them
comfortable, being absolutely sure they
don't get wet or chilled, and make
them scratch for their grain feed.
Feed plenty of sour milk. Buttermilk
makes one of the best bowel regu-
lators and should be used to moisten
any mash foods you may feed. Keep
plenty of charcoal before the chicks.

Deafness

Are You Deaf or Hard of Hearing?

Now is the ideal time to treat deaf-
ness. Ninety per cent of all deafness
is caused by catarrh. Dr. Edwards of
St. Louis has discovered and perfected
an operation for catarrhal deafness
which is remarkable for its many
cures. There is no cutting and it is
painless. I am now using this opera-
tion in Maryville with remarkable
success. Every patient treated by me
has been cured or greatly benefited.

To Visit in Seattle.

Mrs. Sue Walker left Tuesday night
for Seattle, Wash., where she will visit
her daughter, Mrs. Harry Kugler, and
family. She was accompanied as far
as Kansas City by another daughter,
Mrs. S. S. Glass, who was returning
to her home in Boston, after a visit
with her mother in Maryville.

Mrs. Elmer Walker and children of
Aurora, Kan., who have been visiting
at the home of Mrs. Walker's mother,
Mrs. M. J. Willhoite, living west of the
city, have returned to their home.

Mrs. W. H. Green and son, Harry, of
Rushville, Ind., who have been spend-
ing several weeks with Mrs. Green's
sister, Mrs. J. L. Ritze, and her
brother, Edward Keck, and families,
left last night for their home.

SOCIETY and CLUBLAND

By Kate Schenck

Guests at Ferritor Home.

Mr. and Mrs. Edward L. Ferritor
gave a dinner today noon at their home
on West Fourth street entertaining
Mrs. Gus Enis and son, Eugene of
Clyde, and Miss Marguerite Lowe of
Omaha, Nebr. Miss Lowe has been
teaching the past year in the public
schools of Moberly, Mo., and is enroute
to her home.

Dinner Party

A dinner of seven covers was given
today by Mr. and Mrs. J. F. Montgom-
ery, complimentary to Miss Prior and
Miss Limerick, out-of-town friends
who are visiting in the city. The com-
pany included Miss Prior, Miss Limer-
ick, Mr. and Mrs. Will J. Montgomery,
Miss Ruth Montgomery and the hosts.

Lyle Dinner Party.

Mr. and Mrs. Harry Lyle were the
hosts of a dinner given yesterday at
noon at their home, on North Market
street, for the pleasure of Mrs. E. L.
Swearengen and daughter, Mrs. M. M.
Blackman and small daughter, Mar-
garet, of Chicago, Ill., who are visiting
Maryville relatives. The additional
guests were Mr. and Mrs. Robert Lyle,
Mr. and Mrs. Lester Lyle and Miss
Vivian Lyle.

For Visiting Girls.

A prettily appointed bridge tea was
given yesterday afternoon by Mrs. Wil-
liam J. Montgomery in compliment to
Miss Ruth Prior of Cuyahoga Falls, O.,
and Miss Winifred Limerick of Savan-
nah, two charming girls who are
guests at the Montgomery home. The
prize for the high game score was won
by Mrs. William F. Phares, and the
courtesy favor was given to Miss Lim-
erick. The invitations for the after-
noon were limited to the members of
Mrs. Montgomery's bridge club.

Box Party.

Miss Beulah Brunner and Miss Mil-
dred Miller were the hostesses of a box
party at the Empire theater last night
to see "Marrying Jane," a musical
comedy presented under the auspices
of the Hum Drum club.

Their guests were Prof. and Mrs.
Henry A. Foster and their guest, Mrs.
Lyda Walling of Dallas, Texas; Prof.
and Mrs. Walter Hanson, Miss Beatrix

Winn, Miss Bernice Rice, Prof. P. O.
Landon and Prof. George Palfreyman.
The theater was followed by a lunch-
con at Reuillard's.

Juvenile Party.

Mrs. Charles Griffey, living north-
west of the city, entertained a number
of children at a juvenile party to cele-
brate the birthday anniversary of her
small son, Floyd. The little folks en-
tertained were Oma Singery, Lois
Comer, Winifred Dunn and Gladys
Cook of St. Joseph, Esther and Eldora
Shell, Doris and Eva Griffey, Claudine
Hughes of Maryville, Gladys Lawson,
Gladys Parent, Leatha and Lucile
Lawson, Mildred Trullinger, Verna
Comer, Elsie, Hazel and Erma Parent,
Vilas Porter, Fay Woodson Null, Earl
Porter and the Griffey children.

Party at Roelofson Home.

Mr. and Mrs. Claude Roelofson gave
a dinner party today at their country
home, near Barnard, extending their
hospitality in courtesy to Mr. Roelof-
son's uncle, Mr. E. D. Swearengen of
Chicago, who, with his daughter, Mrs.
M. M. Blackman, is visiting Nodaway
county relatives. The entire day was
spent at the Roelofson farm, the com-
pany including Mr. Swearengen, Mrs.
Blackman and daughter, Margaret; Mr.
and Mrs. Frank Roelofson and daugh-
ter, Goldie, and sons, Harold and
Frank, Jr., of this city; Mr. and Mrs.
Millard Ellis of Guilford and Mr. and
Mrs. E. E. May and children of Savan-
nah.

Hum Drums Entertain Players.

The members of the Hum Drum club,
who were the patronesses of "Marry-
ing Jane," a musical comedy given at
the Empire theater last night for the
benefit of the women's public rest
room fund, entertained the entire cast
of characters with a supper at Reuil-
lard's after the theater performance.
The supper was followed by a dance
at the Knights of Columbus hall. The
club is composed of Miss Carrie Mar-
garet Baker, Misses Marjorie and Ge-
neva Wilfley, Miss Glen Hotchkiss, Miss
Blanche Shipp, Miss Eleanor Smith,
Miss Ruth Reuillard, Miss Mildred
Hanna, Miss Ora Barmann, Miss Mil-
dred Robinson, Miss Vera Tilson, Miss
Martha Koch and Miss Dale Hoffman.

Maryville Matron Honored.

Mrs. William Wallis, Jr., one of the
most charming young matrons of this
city, who is now visiting her sister,
Mrs. Walker Lee Campbell, and Mr.
Campbell of Portland, Ore., has been
complimented by many social courtes-
ies and pleasures since her arrival in

the western city. The Campbells have
made their home in Portland for sev-
eral years, occupying one of the Ben-
son hotel suites. The Portland Evening
Telegram of Saturday contains a large
picture of Mrs. Wallis, taken in one of
her most attractive poses, and also one
of Mrs. Campbell, whose likeness is
equally as lovely as her sister. The
following clipping taken from the same
edition will be of interest to the friends
in this city.

Mrs. William M. Wallis, Jr., of Mary-

ville, Mo., who is visiting her sister,
Mrs. Walker Lee Campbell, is a much
entertained visitor in Portland, and
every day the past week marked some
gayety in her honor.

Last Sunday Mr. Benson entertained
in her honor with a motor trip out the
Columbia highway, and on Monday his
daughter, Mrs. Alice Benson Beach,
with a small party motored to Mt. Hood
for a two days' stay, Mrs. Wallis being
the motif for the trip.

Miss Mabel Baker entertained with

two informal affairs this week, a small
tea and a dinner party, complimenting
Mrs. Wallis, and last night the visitor
was the guest of honor at a dinner
dance given by Rex Gardner at the
Hotel Benson.

Mr. and Mrs. Charles Webber and
Miss Dagmar Korrel have also given
informal affairs for her pleasure. Mrs.
Wallis will accompany Mrs. Campbell
to San Francisco early in July. The
Campbells, who have lived in Port-

\$1,635,000 Hidden

In This Year's Goodyear Tires

Here are amazing facts:

Goodyear Fortified Tires contain five costly features found in no other tire. They have other features not common.

If we omitted those features, this year's probable output would cost us \$1,635,000 less. We could add that much to our profits. And you would never know it until troubles came.

This year's improvements alone will cost us \$500,000 yearly. Most of this goes into extra rubber—all into extra wear. And we shall spend on research \$100,000 this year to find other betterments still.

Users Save \$5,000,000

Yet our 1915 price reduction—made February 1st—will save Goodyear users about \$5,000,000 this year. And that was our third reduction in two years, totaling 45 per cent.

These extra features—used by us alone—will save users millions more.

That's why Goodyears dominate. They have long outsold any other. They are gaining new users faster than we can supply them. We

hope, for your own sake, that they'll soon win you. Any dealer will supply you. (249)

Boys' Base Ball Game Results in 15 to 5 Victory for Robey Team.

The boys' base ball team captained by Russell Robey defeated another youths' team captained by Robert Arnett near the Wabash station yesterday afternoon by a score of 15 to 5. Battery for the "Sluggers," as the nine under Robey style themselves, was Skinner and Robey and Trullinger.

The battery for the "Winners of the World," as the team captained by Arnett is called, was Bruce Bowers and George Harmon.

Robey has received an invitation to play the Burlington Junction boys' team there next Saturday. He may accept. No boys over 16 years of age are accepted.

Miss Young at Rochester.

Reuben Young returned yesterday from Rochester, Minn., where he went last week, taking his daughter, Miss Daisy Young, to a sanitarium for treatment. Miss Young underwent an operation last Friday and is doing very well. Her mother, who accompanied them, will remain until her daughter is able to return home.

MUCH ADLER-I-KA USED

IN MARYVILLE
It is reported by the Koch Pharmacy that much Adler-I-Ka is sold in Maryville. People have found out that one spoonful of this simple buckthorn bark and glycerine mixture relieves almost any case of constipation, sour or gassy stomach. It is so powerful that it is used successfully in appendicitis. One minute after you take it the gases rumble and pass out. It is perfectly safe to use and cannot gripe.

FEEL EVERY CHANGE OF THE WEATHER?

A Bad Back is Usually Worse During Bad Weather.

Is your back like a barometer? Does it foretell every change of weather? Does every cold settle on your kidneys?

Bring aching, throbbing pains? Does it disorder the urine? Have you thought the kidneys may be calling for help.

Thousands recommend Doan's Kidney Pills. Maryville testimony proves their worth.

Mrs. A. Weidman, 403 E. Thompson street, Maryville, says: "I had dull, dragging pains through my kidneys. My kidneys were also irregular in action, especially if I took cold or at any change of the weather. I used different remedies, but with no success until I got Doan's Kidney Pills. In less than a month I was free from the trouble and without an ache or pain. I have recommended Doan's Kidney Pills to hundreds of people, and you may continue using my endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Weidman had. Foster-Milburn Co., Props., Buffalo, N. Y.

VOLUME 6.

MARYVILLE, MISSOURI, THURSDAY, JULY 1, 1915.

NO. 24.

WILL CLOSE SHOP HERE ON HOLIDAY

TO STOP BUSINESS MONDAY IN OBSERVANCE OF "FOURTH."

CHURCHES MAY HONOR OCCASION IN SERVICES

Patriotism Will Be Shown from Pulpit Sunday—Arrange Two Pienies—Noise Will Be Diminished.

While Maryville will have no real celebration of Independence day this year, it will quite generally observe that day, Monday, July 5, by closing up shop and taking an extra day off from work and worry. All stores will be open as usual Saturday but on Monday it will be quite dull according to present plans.

All banks and newspapers of the city will be closed all day next Monday, the postoffice will be closed except that the general delivery window will be open from 11 o'clock in the morning until 12:30 o'clock in the afternoon and one city delivery will be made.

Many stores will be closed throughout the day, while some will remain open until noon and a few will perhaps be open all day, according to announcements made today by merchants and dealers.

Grocers Rest at 10 o'clock.

All the larger merchandise stores will be closed all day however. A petition is being circulated this afternoon seeking to have all grocers close up shop at 10 o'clock Monday morning for the remainder of the day, while jewelers and barbers intend to take part of the day off at least.

City and county offices generally will be closed all day, though a few officials may put in a little time that day.

The Normal school has announced a holiday from 4 o'clock tomorrow afternoon until 7:20 o'clock Monday morning. That means that the only extra holiday the students there will receive, will be the elimination of studies over Saturday.

Several patriotic services will be perhaps delivered from the pulpit of local churches Sunday, in token of it being the anniversary of the declaration of independence in 1776. Especially will patriotic songs be in order that day in church services, while "the stars and stripes" also will float in procession.

City Forbids Dangerous Works.

Many flags are already being sold by dealers and many are preparing to decorate residence and store with "old glory." But the fire cracker and other noise producing contrivances, so usual on July 4, each year, will be lacking to a remarkable degree here this year it is believed.

The city ordinance forbids any dealer to display or offer for sale any fireworks before Saturday morning and not after July 4, so that it leaves but one day in which to sell the stock. It also forbids the sale or discharge of firecrackers more than 3 inches long or more than 1/4 inch in diameter, the sale of dynamite caps, torpedoes and other noise producing and endangering celebration contrivances.

Plan Two Pienies Here.

Two pienies in the city however, are being planned for Sunday and Monday to celebrate the anniversary of Independence.

The Knights of Columbus will picnic at the Normal Park Sunday, with a dinner on the lawn by members and their families and friends while music and athletic games and contests will be indulged in after the lunch. A number of out-of-town visitors are expected.

The Wage Earners and Home Makers classes of the Buchanan Street Methodist church have arranged for a similar observance in the Normal pine grove next Monday afternoon. It will begin at 2 o'clock and end at dusk. A luncheon there will close the ceremonies. A "kid" baseball game and

aces are being planned, while refreshments of ice cream, cake and lemonade will be served.

Uncle Sam's weather prognosticators have predicted a fair but a warm "Fourth," so that the outlook is for a well observed day in Maryville both Sunday and Monday. Nothing is planned for Saturday. It is true there will likely be a minimum of noise and hurrah, but the deeper observance is indicated by present plans.

TO DEFER IMPROVEMENT ACTS

Board of Public Works Will Consider Only Routine Business Tonight—Two Members Absent.

On account of two of the four members of the board of public works being out of town today, the board will meet in regular session tonight only to consider routine business, and allow bills for June. The contemplated consideration of several water plant improvements will be deferred until all members are able to be present.

S. G. Gillam and M. E. Ford, both board members have been out of the city several days and will not return for a day or two, it is said. Mr. Gillam is now in the east. Mr. Ford left a week ago to visit a sister at Galveston, Texas, and also to conduct a \$3,500 damage suit there which he won.

ACCEPT DREDGE WORK PLAN

Bondholders for 102 Drainage District Grant New Contractors Increased Rate.

The Southern Surety company of St. Louis, holders of the 102 drainage district bonds, accepts the plan of the drainage board to award the dredging contract to Rogers & Black of Mound City at 12 cents per square yard, according to a letter received by Senator Craig, a board member, this afternoon.

With this assurance, all is virtually settled and work on the completion of the drainage channel from south of Hopkins to south of Maryville, will be resumed as soon as the river falls sufficiently as to permit the building of a dam in which to float the dredge boat.

CHURCHES CHOOSE PASTOR.

Rev. S. D. Harklan Will Have Charge of the Palestine and Graham Churches.

The Rev. S. D. Harklan of Klamath Falls, Ore., has been chosen pastor of the Christian churches at Palestine and Graham. He will conduct services on alternate Sundays at each of the churches.

The Rev. Mr. Harlan will take charge of his new pastorate about September 1. He is a former resident of Nodaway county, and had charge of the church at Graham before going west.

MAY BUY CITY SPRINKLER.

Hopkins Proposes to Purchase Abandoned Equipment Here for Own Use.

The abandoned sprinkler owned by the city of Maryville may be purchased by the city council of Hopkins, according to present negotiations. Hopkins merchants recently agreed to donate certain sums for such improvement, and it is proposed to secure the improvement as quickly as possible.

The sprinkler of Burlington Junction also is for sale, it is said.

COUNCIL DID NOT MEET.

City Fathers Defer Paving Consideration Until Friday Night.

The adjourned meeting of the city council scheduled for last night was called off at the last minute on account of the city attorney and city engineer not being yet ready to present all paving resolutions proposed.

The council will probably include that work in the regular meeting of the aldermen tomorrow night.

Market Live Stock.

The following Nodaway county stockmen marketed live stock in St. Joseph yesterday: R. C. Hollensby, Vern Ficker, G. H. Swaney, Joe Holker, Nodaway Cattle Co., Quitman Live Stock Co., and P. R. Growney.

CO. F CELEBRATES

MILITIA AND BAND MEMBERS FEAST, TALK IN NEW ARMORY.

PROGRESS IS KEYNOTE

Addresses by Former Guardsmen, Minister and Civic Leader Express Belief Company F Will Advance.

A new impetus to military activities in Maryville, and which perhaps will do much towards placing the city on the map as the home of a "crack" drill company of guardsmen and a fine regimental band, was held last night by the militia to celebrate their entrance into the new armory, 116 East Fourth street. If the intentions of the men now in charge of the company and band culminate in reality, it will not be long until Maryville will also boast of its militia, speakers last night emphasized.

The banquet was held in the new headquarters. It was attended by members of the company and band, also by several invited guests who had previously seen National Guard or army activity or were especially interested in the building up of a militia company here.

Make Big Improvements.

Before the banquet an inspection of the new quarters was made by the visitors, with the result that approval all around was heard, not only relative to the better equipment and headquarters, but also as to improvement in the company personnel.

The banquet was presided over by the Rev. Robert L. Finch, as toastmaster, who also delivered the invocation preceding the feast. A real army style "mess" was provided.

Those who spoke following the banquet were Mr. Finch, Captain John K. Ross, former Captain Ezra Phipps, Chester W. Bennett and Lester Bennett, former guardsmen; Jack Watts, who spent four years in the St. Charles Military school at St. Charles; W. R. Jackson, secretary of the Commercial club; E. J. Bailey, former soldier in the regular army; I. B. Williams, former member of the cadet band at the University of Missouri; Albert Berlin, member of the Kansas National Guards.

While most of the speakers delivered impromptu addresses, each expressed the belief and hope that the Maryville guards would rapidly come to the front as one of the best drilled and best disciplined companies, not only of the Fourth regiment but also of the entire state.

Lester Bennett spoke principally of the need of greater financial encouragement by the federal and state government for the guardsmen.

Mr. Watts spoke principally of the benefit of military training as an aid to better physique and its promotion of discipline and comradeship.

Mr. Phipps spoke of the efficiency of the present officers of the local militia company and of the indications for improvement in the guards of Maryville.

Mr. Jackson spoke principally of the training one received in any form of military activity and of the belief that the company here eventually would be one of the city's prides and boasts.

Urged Discipline and Courtesy.

Chester Bennett spoke at some length on military discipline and courtesy and of the need for continual training by the company members.

Mr. Bailey gave reminiscences of the army campaign in the Philippine Islands following the Spanish-American war, and of the need of better discipline and courtesy in the National Guards.

Mr. Williams spoke principally of the comradeship of the military and of the improvement that has come about in Company F even within the last year.

Mr. Finch dwelt principally on the theme of making the militia company and band the pride of the city and of the Fourth regiment, and to place the guards in greater prominence to the residents of Maryville by street drill-

ing and various stunts and entertainments.

He also proposed the adoption of a company song by the local guardsmen, and followed the suggestion with the inauguration of such a boost.

Company Head Recites Plans.

Captain Ross spoke at considerable length of his intentions of raising the company standards in the public eye by increasing the efficiency and personnel of the guardsmen.

Mr. Berlin spoke briefly on greater company pride by the guardsmen and of the apparent increase in militia interest here.

Captain Ross, in reciting plans for bettering the militia here, spoke in part as follows:

"I am sorry to say that we, as a military organization, have not received from the public the co-operation and help that we should have received. The reason, I believe, was that the public and the company have not understood each other in the past. In the future we are going to receive encouragement and we are sure that when you see it from the standpoint as we do that you will not delay in giving all that we ask of you.

"I believe that the sentiment was almost universal against us some time back, because of the misunderstanding of the attitude of the members upon the subject of public interest, but that attitude has changed in some degree, and shall change more.

"We realize, as you must, that we cannot be of the best service unless we comprise a company that is up to the standard of efficiency, and we cannot be up to the standard unless you give us your hearty co-operation and help.

"For so long as you turn a deaf ear and try to tear us down, so long must we acquit ourselves with the limitations which you have set, and work and wait for a time when your attitude shall change. We hope to make this company a military organization that you will feel proud of and will not be ashamed to say a word in behalf of.

"We have in this city a military band which was organized but a few weeks ago. It has already reached the required numbers to make it in good standing as a military band. It is the purpose of the band and the company to work together in such a way that when we go to camp this summer we can carry away the honors."

Captain Ross expressed the fact that hereafter the armory would not be used as a lounging place for the company members, but strictly for the study of military discipline, rifle and small arms practice and drills or such other activities as relate exclusively to the military.

The present officers of Company F are: Captain, John K. Ross; first lieutenant, Arch Ledgerwood; first sergeant, Claude Wilson; quartermaster sergeant, Harold Ewing; right guide sergeant, Arch Colton; left guide sergeant, Charles Wilson; duty sergeants, Francis Kegin and George Liston; corporals, Otto Long, Claude Neville, Vane Hanna, Bert Woodward and Dean Ledgerwood.

RAINED 6 1-2 INCHES IN JUNE

Records Show the Fall Was 4.62 Inches Prior to Yesterday's Fall of Two Inches.

The total rainfall for the month of June, according to readings kept by J. R. Brink, was 4.62 inches until the rain storm which began late yesterday afternoon, when two more inches fell. As most of the rain of yesterday and last night fell before midnight, the fall for June was virtually 6.62 inches.

The rain yesterday afternoon and last night was the hardest for the month and the hardest for the entire season, considering the length of time in which it fell.

AMERICANS DROWN

GERMANS SINK LINER WITH U. S. CITIZENS ABOARD.

WAS NEUTRAL VESSEL?

Prompt Inquiry of Sinking of Armenian by Submarine Ordered from Washington—Had Mule Cargo.

Washington, July 1.—The Dominion freight liner Armenian, flying the British flag and carrying mules from Newport News, Va., to England, was torpedoed and sunk on Monday night by the German submarine U-38 off Cornwall, England, and nearly a score of American muleteers aboard are reported lost, according to messages received by the state department from Consul John S. Armstrong, Jr., at Bristol. Twenty-nine men in all were lost and ten injured.

The news, stated a sensation in official quarters, as it was the first case of loss of American lives since the sinking of the Lusitania.

The gravity of the incident, however, and the action of the Washington government depends almost entirely on whether the Armenian was chartered by the British government and was in fact a transport of war aboard, which Americans would sail at their own risk, or whether she was an unarmed merchantman.

In the latter case, even though carrying contraband, the ship should have been subjected to visit and search, and those aboard transferred to a place of safety before the destruction of the vessel was attempted, it is said.

Order Immediate Inquiry.

In the absence of official information on these points officials declined to say what effect the sinking of the Armenian would have on pending negotiations between the United States and Germany.

Immediate inquiry was directed to Ambassador Page at London to obtain more details, and when Secretary Lansing returns Ambassador Gerard will be instructed to inquire of the German admiralty as to its report.

New York, July 1.—W. W. Jeffries, general manager of the International Mercantile Marine company, said last night that the steamship Armenian was not under charter to the British government and that she was a peaceful merchantman. The Armenian, he added, was making the voyage under the operation of the Leyland line and she carried a general cargo of American origin.

Newport News, Va., July 1.—The steamer Armenian, which sailed from Newport News, carried besides her regular crew, 106 Americans—nineteen white and the remainder negroes—signed to care for the cargo of 1,422 mules for use of the English army. The Armenian was the first ship of the many that have carried live stock from Newport News for the allies to be sunk by a German submarine.

Her cargo, according to her manifest, filed at the customs house, was valued at \$291,400.

Among the white muleteers signed, besides those reported as missing, were H. H. Brenwick, Des Moines, Ia.; Louis Taylor, Bayonne, N. J.; Jess Osborn, Sidney, Neb.; Louis E. Eckert, Greenfield, O.

TEUTONS CONTINUE ADVANCE

Russians Being Steadily Driven from Galicia Though Resisting Stubbornly.

London, July 1.—The Austro-Germans continue their almost unbroken advance in Galicia and over the Polish frontier, while the fighting in the western theater has developed nothing to alter the situation.

A brief Austrian communication indicated that the Teutons were being held up along the Gnilla Lpna, but a subsequent and fuller official statement made no such admission, although conceding that hard fighting in this section was in progress.

On that part of the eastern front to the north and northwest of Lemberg it is claimed that the Russians are falling back precipitately, the Austro-Germans having occupied another Polish town, Zawichost, just over the frontier.

The present position of the Russian forces covers a great semi-circle around Lemberg, the two tips of which, to the north and to the south of the capital, the Austro-Germans are attempting to roll back. In the meantime they are hurling great masses of soldiers at the center in the vicinity of Tomaszow.

The success of this movement would so sever the Russian armies as to leave Warsaw unprotected from the rear and the desire to checkmate this apparently explains the continued Russian retirement to the north.

HOME TALENT SCORES A HIT

Rest Room Benefit Play Pleases Big Crowd—At Empire Theater Last Night.

As a result of a highly successful performance, presented at the Empire theater last night before a large audience, a good sum of money will be given to the City Federation of Women's Clubs to help toward the maintenance of the women's public rest rooms.

The play, a two-act musical comedy, "Marrying Jane," was given under the auspices of the Hum Drum club.

The performance, from start to finish "never missed a tick," and was staged with a professional swing that was decidedly taking with the audience. The solo work and individual character parts were done with splendid merit, and the acting, costuming and singing of the chorus were full of a grace and piquancy that brought lively applause from the audience.

The play was directed by Miss Besse Scott, who had the assistance of Ralph Marcell in superintending the staging and scenery. The orchestra music for the entire play was given by Maulding's orchestra.

The character parts were taken by Miss Glen Hotchkiss, Miss Mildred Hanna, Miss Ora Barmann, Jesse Miller, Jr., Fred Lewis, Fleming Carpenter, Gene Cummins, Edward William Deltz, "Baby Becker," the small son of Prof. and Mrs. H. J. Becker, and "Baby Haines," the life-size infant model of the Haines dry goods store. The story of the play and the manner in which it was acted was a real fun-fest for the audience, and the performers behaved like veteran stage folk.

There was not one of the song specialties but what made a "hit" and were much applauded. They were given by Frank Schumacher, Miss Mildred Robinson, Miss Amy Clark, Miss Blanche Shipp, Fleming Carpenter, Eugene Cummins, Harold Staples, Miss Scott and Dudley Wilkinson of Albany. Miss Scott and Mr. Wilkinson gave a fox trot specialty, "I Want to Linger," which was very attractive.

The chorus, which furnished a graceful background for the entire production, was composed of Misses Ora Barmann, Marjorie Wilfley, Blanche Shipp, Martha Koch, Dale Hoffman and Kathryn Carpenter. Messrs. Frank Cummins, James Phillips, Kenneth Strawn, Perry Crandall, Harold Staples, Gene Cummins and "Buster" Strong.

The proceeds of the play will go to help support the women's rest rooms.

All members and officers of the Order of the Eastern Star are urged to attend a practice and instruction session of the chapter to be held at the hall, Friday evening, July 2, beginning promptly at 8 o'clock.

CROPS INJURED BY WIND; LIGHTS OFF

STORM WORST IN MARYVILLE—RIPEST WHEAT FALLS.

NO BRIDGES OUT NOR BUILDINGS AFFECTED

Fallen Trees, However, Endangered Life and Property—Limb Causes Electric Current to Be "Cut."

A heavy rain storm, preceded by high wind and lightning, which blew up rapidly from the southwest at 5:15 o'clock yesterday afternoon, did considerable damage to trees and growing crops over Polk township and in spots all over Nodaway county. The storm perhaps reached its worst around and in Maryville, judging from reports from various places in the county.

The ripening wheat and rye was blown to the ground in many places, while the corn was blown around and broken off in some instances. A slight fall of hail also is reported.

Limbs from a tree blown against the electric light wires near Fourth and Buchanan streets at 5:30 o'clock yesterday afternoon cut out part of the commercial circuit from the Maryville Electric Light and Power plant. In order to eliminate the short circuit it was necessary to first turn out all lights in the city that the limbs doing the damage might be cut.

City in Darkness.

The city was in darkness for about three-quarters of an hour in some places and for an hour or more in other localities over the city.

A large tree was blown against the front porch at the residence of Charles Thorp, 113 South Buchanan street, but did little damage to the house. A large apple tree back of the house also was blown down, but without any further damage.

A large limb blew against the porch of the dwelling of Mrs. D. C. White, 707 South Buchanan street and slightly damaged the porch.

Several limbs were blown from the trees in the court house lawn and in all parts of the city, but without injuring anyone or damaging any buildings.

Street Lighting is Impaired.

A portion of the street lighting in the north end of town also was off part of the night because of damage to the system in that portion.

The smaller streams over the county were swollen to bank full in a few moments and some overflowed onto growing crops. No serious damage from the three rivers of Nodaway county is expected, however, unless further rains fall tonight.

No bridge nor culvert damage of consequence is reported from over the county, according to W. M. Blackford, presiding judge of the county court. Some roads were washed considerably. Judge Blackford said no bridge nor culvert improvement would be begun by the county, however, until there is a certainty that the rainy spell is over.

A few bridge and culvert repairs have been made the last few days at the expense of the county.

Delays Wheat Harvest.

The heavy rain last night will retard wheat and rye harvesting a few days and make the cutting extremely difficult because of the grain being blown down badly in many localities.

The telephone lines between Graham and Skidmore are reported down and slight damage was done to crops. Reports from Pickering, Hopkins, Barnard, Arkoe, Conception Junction and several other towns over the county are to the effect that the wind storm was slight and that little damage was done by the rain.

ANNOUNCES FEATURE FILM.

"Hypocrites," in Four Reels, at the
Fern Theater Next Wednesday.

Manager J. B. Ellis of the Fern theater announces for next Wednesday, matinee and night, the "Hypocrites," a four-reel feature film written by Lois Weber, and produced under her personal direction. It is one of the most extraordinary pictures ever placed before the public.

By means of an absorbing story and superb allegory, it flays mercilessly those people who, faulty and evil themselves, yet dare to condemn the seeker after truth. The play is a daring one in its frankness, but has been handled by Miss Weber with the most exquisite delicacy, so that it is entirely without offense to the most critical. One of her inspirations for the story was the painting by A. Faugeron, now in the Paris salon, called "The Truth," a painting which has caused more discussion than any painting of late years. In "Hypocrites," scenes similar to that conceived by M. Faugeron are reproduced, and we see how the mirror of truth pierces the thin veneer of hypocrisy and reveals the selfishness and cowardice of men and women as they really are. Another feature of the story

which will occasion wide comment is the extraordinary photography characteristic of the entire production. It is needless to say, in speaking of a production by Miss Weber that the acting by each member of the cast is of the highest order, and that the finest of work has gone into the detail of setting and costume.

The production of "Hypocrites" sets a new standard for plays which combine the art of the allegory and the thrill of pure drama. "Anthony and Cleopatra," in two reels, will be an added attraction for the matinee and night shows next Wednesday.

How to Provide Clean Ground.

Keep your chicks on clean ground, with, if possible, grass run; if not, plant patches of oats, rape, lettuce or turnips for them. A good plan when space is at a premium is to make a frame, as large as possible, covered with 1-inch mesh wire and plant oats inside this frame, having the wire top about 3 or 4 inches above the ground. Keep well watered and you will have a plentiful supply of green stuff for your chicks.

Swarm of Bees Afloat in Car.

As J. Arch McMaster was driving home from Hopkins in his Maxwell car the other evening, he saw a swarm of bees this side of the second river bridge, west of town. As soon as he saw the bees he wanted them, but how to get them was the next question.

His mind worked fast and the scheme of honking the horn of his car to attract the attention of the bees worked like a charm. And he did not have to keep the work up long until the bees were attracted into the egg case he had in the car, and the swarm is now safely and snugly housed on the McMaster farm making honey.

Separate Your Birds.

If you haven't yet separated your male birds from the poultry flock, by all means do so now. Both the males and the females will stand the hot weather better and come through the molt in better condition. If you have breeding birds you want to keep over for next year, pen them off to themselves. If the roosters are not very valuable dispose of them entirely and save the trouble and expense of feeding them.

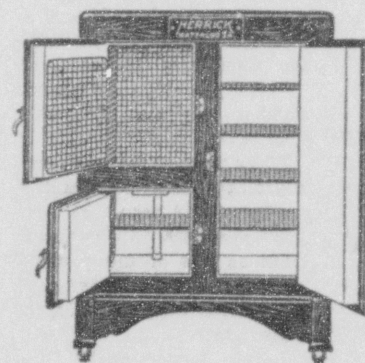

In the hot days that are soon to be with us a fertile egg soon becomes totally unfit for food, whereas an infertile egg may be kept for weeks and still retain its freshness.

Shade Needed by Chicks.

Now that the hot summer days are coming on, remember that shade is essential to chick comfort. If you haven't natural shade, by all means plant sunflowers or castor beans. If necessary, put up shelters of boards or grain sacks stretched over four stakes about a foot from the ground. Exposure to the hot sun day after day stunts the growth of chicks, and, in the case of exhibition birds tends to bleach the color of their feathers.

THE NEW PERFECTION OIL COOKER has made it possible to burn the cheapest oil and produce absolutely satisfactory results. And as in all mechanical construction the reason for the perfect results is made possible by adhering to the laws of scientific construction. The New Perfection was built to produce first last and all the time a perfect blue flame from the lowest grade of oil. And the fact that they are now serving more than 2,000,000 homes is ample proof of the satisfactory results produced. Let us show you the points of construction that makes this possible.

Feed a Variety of Food.

Don't neglect to feed your growing chicks a variety of foods. Keep them comfortable, being absolutely sure they don't get wet or chilled, and make them scratch for their grain feed. Feed plenty of sour milk. Buttermilk makes one of the best bowel regulators and should be used to moisten any mash foods you may feed. Keep plenty of charcoal before the chicks.

Deafness

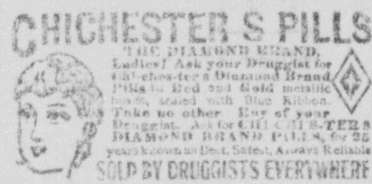

Are You Deaf or Hard of Hearing?

Now is the ideal time to treat deafness. Ninety per cent of all deafness is caused by catarrh. Dr. Edwards of St. Louis has discovered and perfected an operation for catarrhal deafness which is remarkable for its many cures. There is no cutting and it is painless. I am now using this operation in Maryville with remarkable success. Every patient treated by me has been cured or greatly benefited.

To Visit in Seattle.

Mrs. Sue Walker left Tuesday night for Seattle, Wash., where she will visit her daughter, Mrs. Harry Kugler, and family. She was accompanied as far as Kansas City by another daughter, Mrs. S. S. Glass, who was returning to her home in Boston, after a visit with her mother in Maryville.

Mrs. Elmer Walker and children of Aurora, Kan., who have been visiting at the home of Mrs. Walker's mother, Mrs. M. J. Willhoite, living west of the city, have returned to their home.

Mrs. W. H. Green and son, Harry, of Rushville, Ind., who have been spending several weeks with Mrs. Green's sister, Mrs. J. L. Ritze, and her brother, Edward Keck, and families, left last night for their home.

SOCIETY and CLUBLAND

By Kate Schenck

Guests at Ferritor Home.

Mr. and Mrs. Edward L. Ferritor gave a dinner today noon at their home on West Fourth street entertaining Mrs. Gus Enis and son, Eugene of Clyde, and Miss Marguerite Lowe of Omaha, Neb. Miss Lowe has been teaching the past year in the public schools of Moberly, Mo., and is enroute to her home.

Dinner Party

A dinner of seven covers was given today by Mr. and Mrs. J. F. Montgomery, complimentary to Miss Prior and Miss Limerick, out-of-town friends who are visiting in the city. The company included Miss Prior, Miss Limerick, Mr. and Mrs. Will J. Montgomery, Miss Ruth Montgomery and the hosts.

Lyle Dinner Party.

Mr. and Mrs. Harry Lyle were the hosts of a dinner given yesterday at noon at their home, on North Market street, for the pleasure of Ms. E. L. Swearingen and daughter, Mrs. M. M. Blackman and small daughter, Margaret, of Chicago, Ill., who are visiting Maryville relatives. The additional guests were Mr. and Mrs. Robert Lyle, Mr. and Mrs. Lester Lyle and Miss Vivian Lyle.

For Visiting Girls.

A prettily appointed bridge tea was given yesterday afternoon by Mrs. William J. Montgomery in compliment to Miss Ruth Prior of Cyahoga Falls, O., and Miss Winifred Limerick of Savannah, two charming girls who are guests at the Montgomery home. The prize for the high game score was won by Mrs. William F. Phares, and the courtesy favor was given to Miss Limerick. The invitations for the afternoon were limited to the members of Mrs. Montgomery's bridge club.

Box Party.

Miss Beulah Brunner and Miss Mildred Miller were the hostesses of a box party at the Empire theater last night to see "Marrying Jane," a musical comedy presented under the auspices of the Hum Drum club.

Their guests were Prof. and Mrs. Henry A. Foster and their guest, Mrs. Lydia Walling of Dallas, Texas; Prof. and Mrs. Walter Hanson, Miss Beatrix

Winn, Miss Bernice Rice, Prof. P. O. Landon and Prof. George Palfreyman. The theater was followed by a luncheon at Reuillard's.

Juvenile Party.

Mrs. Charles Griffey, living northwest of the city, entertained a number of children at a juvenile party to celebrate the birthday anniversary of her small son, Floyd. The little folks entertained were Oma Singery, Lois Comer, Winifred Dunn and Gladys Cook of St. Joseph, Esther and Eldora Shell, Doris and Eva Griffey, Claudine Hughes of Maryville, Gladys Lawson, Gladys Parent, Leatha and Lucille Lawson, Mildred Trullinger, Verna Comer, Elsie, Hazel and Erma Parent, Vilas Porter, Fay Woodson Null, Earl Porter and the Griffey children.

Party at Roelofson Home.

Mr. and Mrs. Claude Roelofson gave a dinner party today at their country home, near Barnard, extending their hospitality in courtesy to Mr. Roelofson's uncle, Mr. E. D. Swearingen of Chicago, who, with his daughter, Mrs. M. M. Blackman, is visiting Nodaway county relatives. The entire day was spent at the Roelofson farm, the company including Mr. Swearingen, Mrs. Blackman and daughter, Margaret; Mr. and Mrs. Frank Roelofson and daughter, Goldie, and sons, Harold and Frank, Jr., of this city; Mr. and Mrs. Millard Ellis of Guilford and Mr. and Mrs. E. E. May and children of Savannah.

Hum Drums Entertain Players.

The members of the Hum Drum club, who were the patronesses of "Marrying Jane," a musical comedy given at the Empire theater last night for the benefit of the women's public rest room fund, entertained the entire cast of characters with a supper at Reuillard's after the theater performance. The supper was followed by a dance at the Knights of Columbus hall. The club is composed of Miss Carrie Margaret Baker, Misses Marjorie and Genevieve Wilfley, Miss Glen Hotchkiss, Miss Blanche Shipp, Miss Eleanor Smith, Miss Ruth Reuillard, Miss Mildred Hanna, Miss Ora Barmann, Miss Mildred Robinson, Miss Vera Tilson, Miss Martha Koch and Miss Dale Hoffman.

Maryville Matron Honored.

Mrs. William Wallis, Jr., one of the most charming young matrons of this city, who is now visiting her sister, Mrs. Walker Lee Campbell, and Mr. Campbell of Portland, Ore., has been complimented by many social courtesies and pleasures since her arrival in

the western city. The Campbells have made their home in Portland for several years, occupying one of the Benson hotel suites. The Portland Evening Telegram of Saturday contains a large picture of Mrs. Wallis, taken in one of her most attractive poses, and also one of Mrs. Campbell, whose likeness is equally as lovely as her sister. The following clipping taken from the same edition will be of interest to the friends in this city.

Mrs. William M. Wallis, Jr., of Mary-

ville, Mo., who is visiting her sister, Mrs. Walker Lee Campbell, is a much entertained visitor in Portland, and every day the past week marked some gayety in her honor.

Last Sunday Mr. Benson entertained in her honor with a motor trip out the Columbia highway, and on Monday his daughter, Mrs. Alice Benson Beach, with a small party motored to Mt. Hood for a two days' stay. Mrs. Wallis being the motif for the trip.

Miss Mabel Baker entertained with

two informal affairs this week, a small tea and a dinner party, complimenting Mrs. Wallis, and last night the visitor was the guest of honor at a dinner dance given by Rex Gardner at the Hotel Benson.

Mr. and Mrs. Charles Webber and Miss Dagmar Korrel have also given informal affairs for her pleasure. Mrs. Wallis will accompany Mrs. Campbell to San Francisco early in July. The Campbells, who have lived in Portland (Continued on page 4.)

\$1,635,000 Hidden

In This Year's Goodyear Tires

Here are amazing facts:

Goodyear Fortified Tires contain five costly features found in no other tire. They have other features not common.

If we omitted those features, this year's probable output would cost us \$1,635,000 less. We could add that much to our profits. And you would never know it until troubles came.

This year's improvements alone will cost us \$500,000 yearly. Most of this goes into extra rubber—all into extra wear. And we shall spend on research \$100,000 this year to find other betterments still.

Users Save \$5,000,000

Yet our 1915 price reduction—made February 1st—will save Goodyear users about \$5,000,000 this year. And that was our third reduction in two years, totaling 45 per cent.

These extra features—used by us alone—will save users millions more.

That's why Goodyears dominate. They have long outsold any other. They are gaining new users faster than we can supply them. We

hope, for your own sake, that they'll soon win you. Any dealer will supply you. (2415)

"SLUGGERS" BEAT "WINNERS."

Boys' Base Ball Game Results in 15 to 5 Victory for Robey Team.

The boys' base ball team captained by Russell Robey defeated another youths' team captained by Robert Arnett near the Wabash station yesterday afternoon by a score of 15 to 5. Battery for the "Sluggers," as the nine under Robey style themselves, was Skinner and Robey and Trullinger.

The battery for the "Winners of the World," as the team captained by Arnett is called, was Bruce Bowers and George Harmon.

Robey has received an invitation to play the Burlington Junction boys' team there next Saturday. He may accept. No boys over 16 years of age are accepted.

Miss Young at Rochester.

Reuben Young returned yesterday from Rochester, Minn., where he went last week, taking his daughter, Miss Daisy Young, to a sanitarium for treatment. Miss Young underwent an operation last Friday and is doing very well. Her mother, who accompanied them, will remain until her daughter is able to return home.

MUCH ADLER-I-KA USED IN MARYVILLE

It is reported by the Koch Pharmacy that much Adler-I-Ka is sold in Maryville. People have found out that one spoonful of this simple buckthorn bark and glycerine mixture relieves almost any case of constipation, sour or gassy stomach. It is so powerful that it is used successfully in appendicitis. One minute after you take it the gases rumble and pass out. It is perfectly safe to use and cannot gripe.

A Bad Back is Usually Worse During Bad Weather.

Is your back like a barometer? Does it foretell every change of weather?

Does every cold settle on your kidneys?

Bring aching, throbbing pains? Does it disorder the urine?

Have you thought the kidneys may be calling for help.

Thousands recommend Doan's Kidney Pills.

Maryville testimony proves their worth.

Mrs. A. Weidman, 403 E. Thompson street, Maryville, says: "I had dull, dragging pains through my kidneys. My kidneys were also irregular in action, especially if I took cold or at any change of the weather. I used different remedies, but with no success until I got Doan's Kidney Pills. In less than a month I was free from the trouble and without an ache or pain. I have recommended Doan's Kidney Pills to hundreds of people, and you may continue using my endorsement."

The Moving-Picture Route to California Expositions

You don't get half the joy of a trip to the Pacific Coast if you take a route that brings you through Colorado's scenic marvels at night, or dodges them altogether. It's a rare privilege to visit Colorado—to view its rugged grandeur, its almost bottomless canyons. It's a travel-mistake to overlook such scenery as this. You need not. The Burlington has planned your scenic pleasure for you. Its Grand Circle Tour to the Pacific Coast is so arranged that you are wide awake when you go through Denver, Rocky Mountain National Park—Estes Park, Colorado Springs, the Pikes Peak Region, Royal Gorge and Salt Lake; then Los Angeles, both expositions; two days on the ocean (meals and berth included to Burlington passengers) San Francisco to Portland; then you visit Tacoma, Seattle, Spokane; and come back via either Glacier National Park or Yellowstone Park. Positively, no other tour in the world like this—so filled with pleasurable excitement—and satisfaction. Tickets on sale daily. Let us talk this trip over with you—make suggestions based on your desires. We can plan to meet your perfect satisfaction—will supply you with beautiful, complete descriptive literature, maps, etc. If you are going to the Pacific Coast this year you simply cannot afford to overlook the special advantages offered by Burlington Tours. Let us tell you all about them, and arrange reservation for you. Please call today or write or phone.
